COUNCIL OF THE DISTRICT OF COLUMBIA

NOTICE

D.C. LAW 5-188

"Water Pollution Control Act of 1984".

Pursuant to Section 412 of the District of Columbia Self-Government and Governmental Reorganization Act, P. L. 93-198, "the Act", the Council of the District of Columbia adopted Bill No. 5-326 on first and second readings, December 4, 1984 and December 18, 1984, respectively. Following the signature of the Mayor on January 11, 1985, this legislation was assigned Act No. 5-253, published in the February 15, 1985 edition of the D.C. Register, (Vol. 32 page 919) and transmitted to Congress January 24, 1985 for a 30-day review, in accordance with Section 602 (c)(1) of the Act.

The Council of the District of Columbia hereby gives notice that the 30-day Congressional Review Period has expired, and therefore, cites this enactment as D.C. Law 5-188, effective March 16, 1985.

New.

- (2) "Aquatic animals and plants" and "aquatic life" mean the animals and plants which have typically lived in or otherwise established as a habitat the waters of the District of Columbia.
- (3) "Combined sewer" means a sewer which conveys both sanitary sewage and storm water and may also convey industrial wastewater.
- (4) "Criteria" means any of the group of physical, chemical, biological, and radiological water quality parameters and the associated numerical concentrations or levels which compose the numerical standards of the water quality standards and which define a component of the quality of the water needed for a

designated beneficial use.

- (5) "Discharge" means the spilling, leaking, releasing, pumping, pouring, emitting, emptying, or dumping of any pollutant or hazardous substance, including a discharge from a storm sewer, into or so that it may enter District of Columbia waters.
 - (6) "District" means the District of Columbia.
- (7) "Dredge and fill activity" means the removal of dirt, sediment, sand, gravel, rock, or other solid matter from the underwater lands, and the placement of solid or semi-solid material into the waters of the District so that the material is or may be deposited on the underwater lands; the placement of pipelines, electrical cables, communication lines, tunnels, bulkheads, riprap, structural members of bridges, buildings, piers, and other facilities, and other man-made objects into the waters of the District or the underwater lands. The following activities are excluded: Federal or District navigational aids, permitted discharges of wastewater, removal of floating debris, stormwater discharges, recreational activities of individual private citizens other than mechanized mineral recovery, and the removal of materials accidentally placed in the waters of the District.
- (8) "Federal Water Pollution Control Act" means the Federal Water Pollution Control Act, as amended, 33 U.S.C. 466 et seg.
- (9) "Groundwater" means underground water, but excludes water in pipes, tanks, and other containers created

or set up by people.

- (10) "Hazardous substance" means any toxic pollutant referenced in or designated in or pursuant to section 307(a) of the Federal Water Pollution Control Act; any substance designated pursuant to section 311(b)(2)(A) of the Federal Water Pollution Control Act; or any hazardous waste having the characteristics of those identified under or listed pursuant to the District of Columbia Hazardous Waste Management Act of 1977, as amended.
- (11) "Industrial wastewater" means water that has been used and contains pollutants but does not contain significant amounts of human body waste and desease-causing bacteria and viruses.
- (12) "Mayor" means the Mayor of the District of Columbia or any representative or agency designated by the Mayor to carry out the provisions of this act.
- (13) "Nonpoint source" means any source from which pollutants are or may be discharged other than a point source.
- (14) "Offshore facility" means vessels, pipelines, and other equipment operated in the District of Columbia waters.
- (15) "Onshore facility" means equipment, instruments, buildings, vehicles, or other structures not in the water.
- (16) "Owner" or "operator" means for a vessel or onshore or offshore facilities, a person owning, operating or chartering by demise the vessel or the facilities.

- (17) "Person" means any individual, including any owner or operator as defined in this section; partnership; corporation; including a government corporation; trust association; firm; joint stock company; organization; commission; the District or federal government; or any other entity.
- (18) "Point source" means any discrete source of quantifiable pollutants, including, but not limited to a municipal treatment facility discharge, residential, commercial or industrial waste discharge or a combined sewer overflow; or any discernible, confined, and discrete conveyance, including but not limited to any pipe, ditch, channel, tunnel, conduit, well, discrete fissure, container, rolling stock, concentrated animal feeding operation, or vessel or other floating craft, from which pollutants are or may be discharged.
- alter or interfere with the restoration or maintenance of the chemical, physical, radiological, and biological integrity of the waters of the District; or any dredged spoil, solid waste, incinerator residue, sewage, garbage, sewage sludge, munitions, chemicals, chemical wastes, hazardous wastes, biological materials, radioactive materials, heat, wrecked or discarded equipment, rock, sand, cellar dirt, oil, gasoline and related petroleum products, and industrial, municipal, and agricultural wastes.
- (20) "Sanitary sewage" or "municipal wastewater" means draining or flushing liquids used to flush or rinse

and other household activities, and other liquids or rinsed away waste which may have been contaminated with disease-causing bacteria and viruses.

- (21) "Sanitary sewer" means a sewer for waste materials, but not one for rain water.
- (22) "Sludge" means the solid or semi-solid material removed from wastewater during treatment, including, but not limited to grit, screenings, grease, oil, settleable solids, and chemicals added to the treatment processes.
- (23) "Treatment facility" means the plant, the equipment, and the operations used to eliminate pollutants in wastewater, and includes the facilities and the activities administering to or supplying the treatment of wastewater.
- (24) "Underwater land" means the land beneath the waters of the District at mean high tide or the ordinary high waterline or the elevation of the highest water stage that occurs at a frequency of once per year.
- (25) "Wastewater" means the waters which have been removed from their normal course or place and have been used in a manner that pollutants have been added or increased during the use, or have been altered so that discharge into the waters of the District may result in pollution.
- (26) "Waters of the District" or "District waters" means flowing and still bodies of water, whether

artificial or natural, whether underground or on land, so long as in the District of Columbia, but excludes water on private property prevented from reaching underground or land watercourses, and also; excludes water in closed collection or distribution systems.

- (27) "Wetland" means a marsh, swamp or other area periodically inundated by tides or having saturated soil conditions for prolonged periods of time and capable of supporting aquatic vegetation.
- Sec. 3. Except as provided in section 7, no person shall discharge a pollutant to the waters of the District.
- Sec. 4. (a) While regulating against water pollution and except as provided in subsection(d), the Mayor shall protect aquatic animals and plants, and shall preserve and restore aquatic life in District waters for aesthetic enjoyment, for recreation, and for industry.
- (b)(1) The Mayor shall study the number and the well-being of aquatic plants and animals, and shall determine the need to license or otherwise limit fishing and other forms of hunting, sports or industry which take or destroy aquatic life or the aquatic habitat. The Mayor shall consider the economic impact upon the various segments of the public before establishing fees for licenses.
- (2) The Mayor may establish fishing seasons and other seasons for hunting, sports or industry, which take or destroy aquatic life or the aquatic habitat.
- (3) Revenues from a licensing regulatory scheme under this section shall be used only for protecting and

New, D.C. Code sec. 6-92 (1985 sup New,

D.C. Code sec. 6-92 (1985 sup managing aquatic life.

- (c) The Mayor may enter into agreements with state and federal agencies to manage and protect aquatic life.
- (d) The Mayor may protect against aquatic life which creates a nuisance in the District.
- Sec. 5. (a) At least once every three years, the Mayor shall review the water quality standards and if appropriate revise the classification of the beneficial uses of the waters and the criteria for water needed for the particular classes of beneficial uses.

New, D.C. Cod sec. 6-9 (1985 su

- (b) The classifications and the criteria shall accompany guidelines for preserving the waters for the beneficial uses and for preventing harm to the water quality.
- (c) Before promulgating the classifications, criteria, and guidelines, the Mayor shall consider the environmental, technological, institutional, and socio-economic impact of applying and enforcing them.
- (d) The Mayor shall regularly monitor District waters, according to their classification under subsection (a), to determine whether the water fulfills the quality standards established under this act.
- Sec. 6. (a) The Mayor shall ensure that all monitoring for compliance under this act acquires accurate data and forms the basis for valid and reliable determinations.

New, D.C. Code sec. 6-92 (1985 sup

(b) Monitoring for compliance as a condition for a permit under this act shall comply with a quality assurance plan approved by the Mayor.

New, D.C. Cod sec. 6-9 (1985 su

- Sec. 7.(a) Except that no one may discharge into a sewer corrosive, flammable, or explosive material, or material that may adversely affect the structure of a sewer line, the Mayor may:
- (1) allow activity which, from a point source, discharges a hazardous substance, oil or other pollutant;
- (2) limit pollution from nonpoint sources to a feasible degree; and
- (3) except as provided in subsection (d), allow dredging and filling activities on underwater lands to the extent that the activities do not interfere with fish migration, and to the extent that the aquatic habitat remains preserved or the mitigation of the destruction of the habitat takes place.
 - (b) If the Mayor permits any discharge under subsection (a)(1), then the Mayor shall:
 - (1) permit the discharge and the regulated activity according to this act, the Federal Water Pollution Control Act, and regulations related to these acts of legislation;
 - (2) explicitly list the conditions under which the discharge will be permitted;
 - (3) explicitly determine the amount of wastewater and pollutants that will be permitted under the permit referred to in this section:
- (4) clearly establish the location of the discharge;
 - (5) require any monitoring and reporting by the

permittee to ensure compliance with the terms and conditions of the permit;

- (6) limit any other types or sources of pollution that may occur as a result of the operation;
- (7) ensure that District waters, waters in adjacent and downstream states, and the beneficial uses of these waters will not be harmed or degraded by the discharge or a combination of discharges; and
- (8) permit the discharge according to the most stringent of the following:
 - (A) the maintenance or attainment of water quality standards; or
 - (B) removing pollutants with control technology.
 - (c)(1) If the Mayor limits pollution from nonpoint sources under subsection (a)(2), then the regulation of the nonpoint sources shall apply to real estate construction and development.
- (2) Before any real estate construction takes place, the person performing the construction or the development shall obtain a permit for controlling pollution from the nonpoint source.
- (d) Before the permit is issued under subsection(a)(1) or (3), the Mayor may require the person to bepermitted to perform studies to ensure conformance with this act.
- (e)(1) The permit shall be valid for a period not to exceed 5 years and may be renewed for up to 5-year

increments; provided the Mayor may by regulation provide for modification, revocation and reissuance, and termination of permits.

- (2) If the permittee timely files a complete application for renewal according to the renewal terms of the permit, then, during any delay before the permit is renewed, the Mayor may extend the validity of the expired permit for 6-month periods until the renewal takes place.
- (f)(1) If an affected state protests against a permit or a term in a permit, then the Mayor shall include the protest in the record concerning the application for the permit and shall duly consider the protest.
 - (2) The Mayor shall deliver to the United States Environmental Protection Agency a copy of the protest and the Mayor's preliminary determination concerning the protest.
 - (g) In addition to the enforcement procedures otherwise provided for in this act, if any person violates a permit condition, discharges without a permit, or submits a fraudulent report to the Mayor, the Mayor may:
 - (1) revoke or modify the permit; or
 - (2) require the permittee to submit for approval a plan to eliminate the violation and, in this plan describe the personnel, engineering, and the operations necessary to eliminate any further violation of this act.
 - (h) Those persons having a permit which has been issued by the Unites States Environmental Protection Agency prior to the effective date of this act shall be exempted

from the requirement for obtaining a permit under the provisions of this act until the expiration date of the United States Environmental Protection Agency permit, at which time a permit from the District will be required. However, the conditions of the permit issued by the United States shall continue in force until the effective date of a permit issued by the Mayor if:

- (1) the expired permit would remain in effect pursuant to applicable federal regulations;
- (2) either the regulations to implement this subsection are not yet effective; or
- (3) the permittee has submitted a timely and complete application for a District permit; and, the Mayor, through no fault of the permittee, does not issue a new permit on or before the expiration date of the previous permit.
- (i) Before issuing any permit, the Mayor shall provide notice of the intent to issue the permit and the opportunity for a public hearing.
- (j) Before a federal permit is issued, the Mayor shall certify whether the permit conforms with this act, the Federal Water Pollution Control Act, and the related regulations.
- (k)(l) Treatment facilities shall keep and have available a current manual describing the operation and maintenance procedures for the facility.
- (2) The Mayor shall periodically inspect and monitor permitted facilities to evaluate the operation and

maintenance of the facility.

- (1) The Mayor may issue permits for industrial discharges to sanitary sewers flowing to municipal treatment facilities.
- (m) The discharge of sanitary sewage, wash or process water, oil laden bilge water, refuse, or litter from watercraft is prohibited.
- Sec. 8. (a) While pollution from point sources into storm sewers shall be considered discharges into District waters, the location of the discharge of the storm sewer wastewater into the waters of the District or other jurisdictions shall be the location of the discharge for any permit issued by the Mayor.
 - (b) Except for loss of heat, no reduction of pollutants in the discharged wastewater while flowing in the storm sewer will be recognized by the Mayor.
- (c) No person shall discharge to a sanitary or combined sewer any material in a quantity which would interfere with or pass through a municipal treatment facility or a unit process of the facility, cause or contribute to a violation of any permit or water quality standard, or interfere with the potential to use sludge for a beneficial purpose.
- (d) The discharge of oil, gasoline, anti-freeze, acid, or other hazardous substance, pollutant or nuisance material to any street, alley, sidewalk or other public space in quantities sufficient to constitute a hazard or nuisance is prohibited.

New, D.C. Code sec. 6-91 (1985 sur

- (e) The discharge of used motor oil to any sewer is prohibited.
- Sec. 9. (a)(1) A person in charge of a vessel or an onshore or an offshore facility shall, as soon as a discharge of a pollutant from the vessel or the facility has been discovered, notify the Mayor about the discharge.

New, D.C. Coc sec. 6-9 Note, 22-1702 (1985 su

- (2) Notice or information resulting from the notice shall not be used against a person in a criminal case, except a prosecution for perjury or for giving a false statement.
 - (b) Whenever there is a discharge or a substantial threat of discharge into the waters of the District of a hazardous substance, or there is a discharge or substantial threat of discharge into the waters of the District of a pollutant which may present an imminent and substantial danger to the public health or welfare, including danger to the livelihood of members of the public health or welfare, the Mayor is authorized to act to remove or arrange for the removal of the pollutant, and the Corporation Counsel of the District may bring suit on behalf of the District in the Superior Court of the District of Columbia or any other court of competent jurisdiction to restrain immediately any person causing or contributing to a discharge or threat of discharge, to recover any costs of removal incurred by the District, to impose civil penalties or to seek any other relief as the public interest may require.
 - (c)(1) By September 1, 1985, the Mayor shall establish a contingency plan for responding to environmental

emergencies pursuant to the authority granted in this section.

- (2) The plan shall provide for the following:
- (A) organize and assign duties among District agencies;
- (B) manage the procurement and use of emergency equipment and supplies;
- (C) establish a special group of trained personnel to carry out the plan;
- (D) develop surveillance designed to watch for emergencies and to provide the earliest possible notice to the appropriate District and federal agencies;
- (E) establish a control center to direct the operations of the plan;
- (F) establish procedures and techniques for removing the pollutant; and
- (G) establish or cooperate in a system for state and local coordination.
- Sec. 10. (a)(1) The Mayor shall establish a financial system to account for revenues and expenses associated with removing pollutants.
- (2) Civil penalties and other charges recovered under sections 16 through 20 shall finance the pollution removal when the person responsible for the pollution cannot be found and the Mayor determines that the pollution should be removed, and may be used to purchase equipment and supplies for the section 9(c) plan.
 - (3) Agencies may be reimbursed after incurring

New, D.C. Code sec. 6-9: Note, D.C. Code sec. 47-(1985 su expenses for removing or preventing the spread of pollution.

- (b) After reimbursements and discretionary equipment purchases under subsection (a) at the end of the fiscal year, the Mayor shall make available for use in future years subsection (a)(2) funds up to \$250,000.
- Sec. 11. (a)(1) No person shall store a pollutant or hazardous substance at an onshore or offshore facility until the Mayor has approved a spill prevention and cleanup plan for the pollutant or hazardous substance.

New, D.C. Cod sec. 6-9 (1985 su

- (2) The plan shall describe the procedures and the equipment, as well as the personnel preparations, for preventing and cleaning up a spill of the pollutant into District waters.
- (b)(1) If information indicates that a discharge exists from an underground facility then the Mayor may require the owner or operator to monitor to determine if the discharge exists and the extent of the discharge.
- (2) The Mayor may also require the owner or operator to remove and prevent the spread of the discharge.
- (c) The owner or operator of an underground storage tank containing oil, gasoline, or any other pollutant shall test the tank at regular intervals for leaks.
- Sec. 12. (a) The Mayor shall establish a water quality management plan according with which activities regulated under this act shall comply.

New, D.C. Code sec. 6-93 (1985 sup

(b) The plan should include pollution control alternatives, evaluation of the attainment of the water quality standards, the population affected, the costs of

implementing the plan, the designation of agencies to implement the various portions of the plan, and the benefits of implementing the plan.

- (c) The plan shall be reviewed periodically.
- (d) The Mayor may certify that water quality management plans from the state, the local, or the federal government are acceptable.
- (e) The Mayor shall review environmental impact statements and assessments, feasibility studies, facility plans, and other proposals in order to determine if the activity conforms with the water quality management plans of the District.
- Sec. 13. The Mayor may issue grants for research concerning the quality of the District waters to universities and institutions.

New, D.C. Code sec. 6-93 (1985 sup

Sec. 14. (a) The Mayor may regulate construction that bears upon the quality of the waters of the District.

New, D.C. Code sec. 6-93 (1985 sup

- (b) No person shall construct a treatment facility which has not been approved by the Mayor before construction begins.
- Sec. 15. (a) The Mayor may review and, as appropriate, approve studies, plans and specifications, operating manuals, and procedures for the disposal or use of sludge from treatment facilities and shall issue construction or operation permits.
- (b) If the use of the sludge involves distribution to the public, then a distribution permit will also be required specifying the quality control and health protection

New, D.C. Code, sec. 6-934 (1985 supr conditions which must be met prior to distribution.

- (c) For sludge originating outside of the District, a permit by reciprocity may be issued based upon an evaluation of the regulations of the originating state.
- Sec. 16. (a) The Mayor may issue subpoenas to compel the presentation of information pertinent to the regulation of the quality of District waters.

New, D.C. Coc sec. 6-9 (1985 st

- (b)(1) The Mayor may inspect and monitor facilities, discharges, activities, equipment, waters, and other items pertinent to the regulation of the quality of District waters.
 - (2) The inspection shall be reasonably calculated to ensure compliance with the purposes of this act.
 - Sec. 17. (a)(1) A person who willfully or negligently violates this act or the regulations promulgated pursuant to this act shall be guilty of a misdemeanor.

New, D.C. Cod sec. 6-9 Note, D.C. Cod sec. 23-(1985 su

- (2) The person shall be fined at least \$2,500 or no more than \$25,000 for each day of the violation, imprisoned for no more than 1 year, or both fined and imprisoned according to this paragraph.
- (3) If the person has been previously convicted under this subsection, then the person shall be fined at least \$2,500 or no more than \$50,000 for each day of the violation, imprisoned for no more than 2 years, or both fined and imprisoned according to this paragraph.
- (b)(1) Any person who knowingly makes a false statement in an application, record, report, plan, or other document maintained under this act shall be guilty of a

misdemeanor.

- (2) The person shall be fined no more than \$10,000, imprisoned no more than 6 months, or both fined and imprisoned according to this paragraph.
- (c) Any person who violates section 9(a)(1) shall be guilty of a misdemeanor.
- (d) For the purposes of this section, the term "person" shall mean, in addition to the definition contained in section 2 of this act, any responsible corporate officer.
- (e) The Corporation Counsel shall prosecute violations of this act in the Superior Court of the District of Columbia or any other court of competent jurisdiction.
- Sec. 18. (a) When the Mayor has reason to believe that a person has violated this act or regulations or orders established under this act, the Mayor shall enforce this act by use of any measure, or combination of measures, authorized by this act; provided, however, that a person shall not, for the same violation, be assessed a civil penalty through both the judicial and the administrative processes.
- (b)(1) For violations of the law referred to in subsection (a), the Mayor may order the following:
 - (A) that the person comply with this act;
- (B) order the person to eliminate the violation; and
- (C) set a deadline for the person's compliance with the commands under subparagraphs (A) and (B).

New, D.C. Code sec. 6-91 (1985 sur

- (2)(A) The Mayor shall, with the order notify the person that the person has a right to timely challenge the order at a hearing before the Mayor, where the hearing will determine whether the order shall become effective.
- (B) The order shall state with reasonable specificity the nature of the violation.
- (C) The order shall set forth the corrective or remedial action to be taken.
- (D) The order shall clearly explain when it shall become effective.
- (E) The order shall clearly state the deadline for the person to request a hearing with the Mayor under subparagraph (F).
- (F) If the person requests a hearing, then the Mayor shall conduct a hearing within 10 days of receiving the request and shall render a decision concerning the order within 10 days of the hearing.
- (3) Any compliance order issued by the Mayor may be served personally or by registered mail to the person's last known address, as shown on the Mayor's records.
- (c)(1) If water quality sufficient for a designated beneficial use of the water quality standards is not being attained or maintained and there is reason to believe that the use represents a health hazard to the public, the Mayor shall issue an order forbidding the use.
- (2) The orders shall contain the following to the extent needed:
 - (A) the use which is forbidden;

- (B) the waters affected by the order;
- (C) the duration of the order;
- (D) the health hazard involved;
- (E) the reason the health hazard is believed to exist;
 - (F) the penalty for violating the order; and
- (G) the measures needed to implement the order and to improve the water quality.
- (d)(1) A civil penalty under section 19(b)(2) may be assessed by the Mayor after the Mayor notifies and provides an opportunity for a hearing to the person charged with the violation.
 - (2) If the Mayor charges a civil penalty under this paragraph, then the Mayor shall consider the following while determining the amount of the penalty:
 - (A) the gravity of the offense;
- (B) the care shown by the owner, operator, or person in charge; and
 - (C) the extent of the success in mitigating the effects of the discharge.
- (e) Except where an owner or operator can prove that an unauthorized discharge was caused solely by (A) an act of God, (B) negligence on the part of the District, (C) an act of war, (D) an act or omission of a third party, or (E) any combination of the foregoing causes, an owner or operator of any vessel or onshore or offshore facility from which a hazardous substance or pollutant is discharged shall be liable for the full costs of removal, or for the cost of any

assistance provided or arranged by the Mayor, in accordance with section 9(b) of this act, and for such amount as represents the damage to water quality and the aquatic life, in addition to any civil penalty.

Sec. 19.(a)(1) The Mayor is authorized to institute a civil action for a prohibitory or mandatory injunction or other appropriate relief by way of a temporary restraining order, preliminary or permanent injunction, or other judicial decree.

New, D.C. Cod sec. 6-9 (1985 su

- (2) The action shall be brought in the Superior Court of the District of Columbia or any other court of competent jurisdiction.
- (3) In any action under this subsection, upon a showing that any person is violating or is about to violate any provision of this act or any regulations promulgated pursuant to this act or any order, permit, or permit condition established according to this act, the court may grant an injunction without requiring a showing of a lack of an adequate remedy at law.
- (b)(l) For violations of this act or related regulations or orders, the Mayor may bring civil action in the Superior Court of the District of Columbia or any other court of competent jurisdiction.
- (2)(A) A person who violates the laws referred to in paragraph (1) shall be subject to a civil penalty of no more than \$50,000 for each violation.
- (B) A person who willfully violates the laws referred to in paragraph (1) shall be subject to a civil

penalty of no more than \$250,000 for each violation.

(C) The court shall determine the amount of the civil penalty under this paragraph based on consideration of the following factors:

- (i) the size of the person's business;
- (ii) the ability of the person to continue the business despite the penalty;
 - (iii) the seriousness of the violation:

the invalidity shall not affect the provisions or applications of the act which can be given effect without the invalid provision or application, and to this end the provisions of the act are declared to be severable.

Sec. 24. This act shall take effect after a 30-day period of Congressional review following approval by the Mayor (or in the event of a veto by the Mayor, action by the Council of the District of Columbia to override the veto), as provided in section 602(c)(1) of the District of Columbia Self-Government and Governmental Reorganization Act, approved December 24, 1973 (87 Stat. 813; D.C. Code, sec. 1-233(c)(1)).
